

MSM-TAG Connect Mentoring Program

The MSM-TAG Connect Mentoring Program is a partnership with Morehouse School of Medicine (MSM), Tuskegee Airmen Global Academy (TAG), Atlanta Public Schools, and Atlanta CARES.

We need you -- students, staff and faculty -- to provide one-on-one and group mentoring to 3rd-5th grade students at TAG.

Will you accept the call and become a mentor? Please see the mentoring training schedule and email Jacqueline Thrash at jthrash@msm.edu with the date(s) you will attend.
