

2015-2016 Grand Rounds Series
Presented by

**Department of Medicine
Grand Rounds**

Guest Speaker:

Julie A. Schmittiel, Ph.D
Research Scientist

Kaiser Permanente – Northern California Division of Research

**“ Diabetes Care and Research in an Integrated Delivery System
Engaging Stakeholders to Improve Quality and Outcomes ”**

April 13, 2016

12 noon

Piedmont Hall 1st Floor Auditorium
22 Piedmont Avenue

Learning Objectives

At the end of this presentation participants will be able to:

1. Understand the role of population health management in improving diabetes care
2. Discuss stakeholder engagement as a key component to designing and implementing diabetes research studies
3. Assess the barriers and facilitators to collaborative diabetes translational research among multi-disciplinary scientists and clinicians

Speaker Disclosure(s): None

Morehouse School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to sponsor continuing medical education for physicians.

The Morehouse School of Medicine designates this live activity for a maximum of 1 AMA PRA Category 1 credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Morehouse School of Medicine (MSM) requires instructors, planners, managers and other individuals who are in a position to control the content of this activity to disclose any real or apparent conflict of interest they may have as related to the content of this activity. All identified conflicts of interest are thoroughly vetted by MSM for fair balance, scientific objectivity of studies mentioned in the materials or used as the basis for content, and appropriateness of patient care recommendations.

Lunch will be Provided
