

2015-2016 Grand Rounds Series
Presented by

Department of Surgery

Faiz Ahmad, MD, MCh
*Assistant Professor,
Department of Neurological Surgery
Emory University School of Medicine
Atlanta, GA*

**“Pushing the Envelope in Minimally Invasive Spinal Stabilization:
What’s New in the World of Spinal Surgery”**

**WEDNESDAY, AUGUST 10, 2016
8:00AM – 9:00AM**

Marcus Trauma Auditorium, Ground Floor, RM GD017

Learning Objectives

At the end of this presentation participants will be able to:

- 1) Describe the advantages offered by less invasive spinal surgeries to patients.
- 2) Define the limitations of such techniques.
- 3) Review the role of these techniques in the care of our aging population.
- 4) Discuss the unique role of minimally invasive surgery in the trauma population at Grady & future implications
