

## **MSM's Dr. Onwuanyi Appointed to Heart Failure Oversight Advisory Committee and HFSA Membership Committee**

**Dr. Anekwe Onwuanyi**

Chief of Cardiology, Professor of Medicine  
Department of Medicine

Dr. David Van Wagoner, Chair SFRN Heart Failure Oversight Advisory Committee, recently offered Dr. Anekwe Onwuanyi an appointment to serve as a member of the Oversight Advisory Committee for the American Heart Association (AHA) Strategically Focused Research Network (SFRN) on Heart Failure, and he has accepted. The appointment is for a two-year term beginning August 2016; with the possibility of a two-year renewal. The Oversight Advisory Committee (OAC) will provide external oversight for the American Heart Association-Strategically Focused Research Network on Heart Failure Award and serve in an advisory capacity to the Centers.

Mandeep Mehra, MD, FHFA, chair of the HFSA 2016 Nominations Committee, recently offered Dr. Anekwe Onwuanyi an appointment to the Heart Failure Society Association Membership Committee, which he has accepted. As a member of this committee, Dr. Onwuanyi will be expected to participate in scheduled meetings and conference calls, and identify and develop HFSA's goals and activities as they relate to the committee and the strategic plan for the association. This is one of the committees on which Dr. Onwuanyi will serve as a Fellow of this distinguished group.
