

MSM Alumni Celebrate at Annual Holiday Breakfast

Saturday morning's weather certainly did not rain on the joyous time shared by the MSM Alumni Association members at their 2014 annual holiday breakfast.

Over 50 alums and guests filled the MEB lobby at the all-white affair, "Winter Wonderland." In addition to the live music and a delicious breakfast, Dr. Montgomery Rice greeted the group and provided a well-received "State of MSM" update for her first six months as President and Dean.

MSMNAA President, Dr. Kevin Thomas, MD '92, said, "You see we could barely pull ourselves away to leave. The energy was great. A lot of good ideas surface when we are together to talk. It was informative, interactive and fun."
