

MSM's Dr. Danner Receives Thank You from Ga. Rep. Mary Margaret Oliver for Participation in House Bill 10 Panel Discussion

On November 27, 2016, [Dr. Omar K. Danner](#) participated in a panel discussion at the capitol addressing assault weapons regulation via House Bill 10. The discussion was hosted and led by Georgia Representative Mary Margaret Oliver, who pre-filed the bill. Dr. Danner gave a clinical testimony on firearms-related violence in Georgia, and locally, while providing insight from a trauma surgeon and medical perspective in order to help humanize the issue and frame future discussions.

Rep. Oliver expressed her gratitude to the panel participants, and specifically Dr. Danner, in the following email:

Friends,

Thank you again for your very valuable help yesterday in support of HB 10. Dr. Danner's testimony is exactly what was needed, and I know you all participated in preparation.

Thank you!

Rep Mary Margaret Oliver
