# FACES OF ATLANTA

## The Face of Miracles

It happens every day: Someone experiences an event that requires a level of care and compassion

the commitment to providing the highest level of care.

When every second counts, you want the best. As one of the nation's busiest emergency departments and

nationally and internationally for their expertise; they are the standard by which others are measured. They stand ready, 24 hours a day, every day, to take you from crisis to
