

2015-2016 Grand Rounds Series
Presented by

Department of Surgery

J. Sheppard Mondy, III, MD, FACS
*Associate Professor of Surgery,
Department of Surgery
Medical Director
Vascular Center of Excellence
Memorial University Medical Center
Savannah, GA*

“Update on Management of PAD in the 21st Century: The Good, the Bad and the Ugly.”

**WEDNESDAY, February 10, 2016
8:00AM – 9:00AM
Grady Trauma Auditorium, Ground Floor**

Learning Objectives

At the end of this presentation participants will be able to:

1. Review the increasing incidence, prevalence and societal cost of PAD in the United States.
2. Define the spectrum of risk factors for PAD and the opportunity for risk factor modification.
3. Discuss the appropriate treatment algorithm for patients with PAD stratified by severity.
4. Describe the growing roles of minimally invasive therapies in the management of patients with peripheral artery disease.

Speaker Disclosure(s): None

Morehouse School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to sponsor continuing medical education for physicians.

The Morehouse School of Medicine designates this live activity for a maximum of 1 *AMA PRA Category 1 credit(s)*™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Morehouse School of Medicine (MSM) requires instructors, planners, managers and other individuals who are in a position to control the content of this activity to disclose any real or apparent conflict of interest they may have as related to the content of this activity. All identified conflicts of interest are thoroughly vetted by MSM for fair balance, scientific objectivity of studies mentioned in the materials or used as the basis for content, and appropriateness of patient care recommendations.
