

Join us on National Wear Red Day for the American Heart Association this Friday, February 5, 2016

Please join us in supporting the American Heart Association for **National Wear Red Day!** February is Heart Month, and National Wear Red Day is a way to increase awareness of heart disease in women. On **Friday, February 5th**, businesses, schools, and other organizations across the US are joining together with Go Red for Women to wear red to raise awareness for the #1 leading cause of death in women.

We are accepting donations throughout the week for the American Heart Association, but *you do not need to make a donation to wear red to support the cause!* A table will be set up outside of the first year classroom between 12:30-1:30pm on Friday, 2/5 with giveaways for everyone wearing red (while supplies last).

Donations can be made online [here](#) at any time, or in person on Friday 2/5 from 12:30-1:30pm. We encourage everyone that participated in the Heart Walk to wear your MSM scrub caps on this day as well. We also have limited additional MSM scrub caps that we will be accepting donations of \$10 for at that time.

At **1:00pm on Friday, February 5th**, we invite everyone wearing red to join us outside of the first-year classroom to take a **photo** to be shared on our MSM Facebook page and also with the Metro Atlanta American Heart Association to show Morehouse School of Medicine's participation in National Wear Red Day.

We look forward to having the MSM Community participate in National Wear Red Day!
