

Dr. Carey Roth Bayer with the AAMC Axis Committee released 9 new videos on LGBT health. This video series is designed to help health professionals provide optimal care for the lesbian, gay, bisexual, transgender (LGBT), gender nonconforming (GNC), and individuals born with differences of sex development (DSD) populations.

The videos are freely available through the AAMC Axis Committee website as well as YouTube and Vimeo (see the links provided below):

Enhancing Institutional Culture and Climate for LGBT and DSD Populations with lore dickey
