**SENIOR SAGE AWARD ~  
DR. JAMES (JIM) REED**

James W. Reed, MD, is a professor of medicine and Associate Chair of Medicine for Research at the Morehouse School of Medicine and Chief of Endocrinology at Grady. A fellow of the American College of Physicians and the American College of Clinical Endocrinology, Dr. Reed has practiced medicine for more than 50 years and has been a member of the Morehouse School of Medicine since 1985. Dr. Reed earned his medical degree from Howard University College of Medicine and completed residencies at Good Samaritan Hospital in Dayton, Ohio and Madigan Army Medical Center in Tacoma, Washington. He has authored and presented more than 40 articles, papers and book chapters on internal medicine, endocrinology and metabolism.

**INSPIRING MENTOR AWARD ~  
DR. GUILLERMO UMPIERREZ**

Guillermo Umpierrez, MD, is professor of medicine in the Division of Endocrinology, Metabolism at Emory University School of Medicine, and Chief of Diabetes and Endocrinology at Grady. Dr. Umpierrez heads the Emory Latino Diabetes Education Program, the first nationally accredited all-Spanish diabetes education program dedicated to providing diabetes education and lifestyle intervention to Latinos in Georgia. In 2009, he received the “Outstanding Service Award for the Promotion of Endocrine Health of an Underserved Population” by the American Association of Clinical Endocrinologists for his exceptional contributions in the advancement and research in diabetes and metabolic disorders and for his outstanding care and service, especially to underserved populations for his work at Grady and Emory.

**NEXT GENERATION HEALER AWARD ~  
DR. RAUL NOGUEIRA**

Raul Nogueira, MD, Director, Neuroendovascular Division - Marcus Stroke & Neuroscience Center, is an acclaimed interventional neurologist, specializing in neurocritical care and interventional neuroradiology. Since coming to Grady in 2010, Dr. Nogueira has not only saved lives, he has saved the cherished way of life patients often lose when a major stroke occurs. Dr. Nogueira completed medical school at the Federal University of Ceara in Brazil. He did his neurology residency and fellowships in Neurocritical Care/Stroke and Diagnostic and Interventional Neuroradiology at Massachusetts General Hospital. From his tenure as an Assistant Professor of Neurology at Harvard Medical School, he joined the Emory School of Medicine faculty. Dr. Nogueira’s expertise and successes have made Grady’s Marcus Stroke Center the referral center for more than 70 Georgia hospitals, as well as hospitals in surrounding states.

**ADA LEE AND PETE CORRELL  
HEALTHCARE LEGACY AWARD ~  
CONCERNED BLACK CLERGY**

With a mission to provide leadership, advocacy and service to the homeless, helpless and hopeless, the Concerned Black Clergy has been at the forefront of humanitarian efforts in the Metro Atlanta community for more than 30 years. The Concerned Black Clergy includes more than 150 church congregations and thousands of community activists who fight for the civil liberties of all people and give a voice to the voiceless. A key component of the Grady Coalition, the organization has and continues to advocate for access and quality health care for the underserved and uninsured, working tirelessly in support of Grady’s charity care mission. This highly valued and dynamic partnership has helped make Grady the vital community asset it is today.
