

MEMORANDUM

To: MSM Faculty, Administrators and Staff
From: Peter R. MacLeish, Ph.D., Chairperson, Faculty Awards Committee
Date: March 4, 2016

The Faculty Awards Committee invites nominations for awards at the upcoming Class Day on Friday May 20, 2016. The three (3) major award categories are:

- Teaching
- Research
- Service

In addition, the committee will consider nominations for the Distinguished Faculty Award, which honors cumulative, meritorious contributions of a particular faculty member to the Institution. In the past, this was used to honor retiring faculty but retirement is not a strict requirement for consideration.

Nominations should be submitted to the Faculty Awards Committee, c/o Dr. Ngozi F. Anachebe, Associate Dean for Admissions and Student Affairs (nanachebe@msm.edu) and should include a compelling rationale for the nomination. **Deadline for nominations for 2016 is April 16th.**

Best Regards,

Peter
