

Dr. David Satcher Receives American Psychiatric Association's Human Rights Award

On Monday, May 16, 2016, Dr. David Satcher received the American Psychiatric Association's (APA) Human Rights Award at the APA Annual Scientific Meeting at the Georgia World Congress Center. Additionally, the [updated 2016 APA Position Statement on Integrated Care](#), which was coauthored by Lauri Raney and Dr. Eliot Sorel, was unanimously adopted by APA Assembly and is now referred to APA's Board for its review and ratification this summer.

Drs. Satcher and Sorel, Patrick Kennedy and Francesca Colombo, M.Sc., served as panelists at the APA Annual Meeting. Their presentation was titled "The Surgeon General's Report on Mental Health, Parity and Integrated Care."
