**NOVEMBER 12, 2014**

## **R-CENTER**

**Study Design, Biostatistics & Data Management Core**

### **Offers:**

***“Survey Design for Research and Program Evaluation” Seminar***

**11:00 a.m. – 12:00 p.m.**

**NCPC-207**

This seminar aims to provide a broad overview of the basic principles of survey design. Elements covered include, survey planning, survey item development, measurement quality and an introduction to practical issues in the design, and interpretation of survey items. Prior experience in survey design is **not** required for this seminar.

### **Presented by:**

**Robina Josiah Willock, MPH, PhD**

Assistant Professor, Department of Community Health and Preventive Medicine  
R-CENTER Health Science Researcher
