

**MOREHOUSE**  
SCHOOL OF MEDICINE

Department of Surgery

## **Outcome Research and its Impact on Trauma Care: Who, Why, When?**

### **Edward E. Cornwell III, M.D., FACS, FCCM**

The LaSalle D. Leffall, Jr., M.D. Professor and Chairman of Surgery  
Dean, College of Medicine (Interim)  
Howard University College of Medicine  
Surgeon-in-Chief  
Howard University Hospital

By the end of the lecture, the participants should be able to:

1. Describe the physiologic basis for outcome disparities among critically injured patients
2. Define the demographic basis for outcome disparities among critically injured patients
3. Explain the principle of imputation
4. Discuss the efficacy of insurance status as a surrogate marker for other risk factors for trauma mortality

**WEDNESDAY, December 10, 2014**

**8:00AM – 9:00AM**

Trauma Auditorium, Ground Floor, RM GD017  
80 Jesse Hill Jr. Dr. SW, Atlanta, Georgia 30303

Morehouse School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to sponsor continuing medical education for physicians.

The Morehouse School of Medicine designates this live activity for a maximum of 1.0 hours in AMA PRA Category 1 credit(s)™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

Morehouse School of Medicine (MSM) requires instructors, planners, managers and other individuals who are in a position to control the content of this activity to disclose any real or apparent conflict of interest they may have as related to the content of this activity. All identified conflicts of interest are thoroughly vetted by MSM for fair balance, scientific objectivity of studies mentioned in the materials or used as the basis for content, and appropriateness of patient care recommendations.
