

We are excited about our 2016 Meet the Challenge Phone-A-Thon on Tuesday, December 6. Faculty, staff and students will be calling our alumni to *Meet the Challenge*.

We will be asking our valued alums to help us achieve our mission of improving health, to increase the diversity of the health professional and scientific workforce, and to be that someone who makes a momentous change in the lives of future healthcare leaders.

The Coca-Cola Foundation recognizes the institution's rich history and tradition of excellence, as well as the noteworthy achievements of MSM Alumni. In support of the MSM mission, Coca-Cola has awarded MSM a \$1,000,000 Alumni challenge grant.

A sincere thank you to the faculty and staff listed below who have committed to volunteer to call our alumni to *Meet the Challenge*.
