

CRC Bionutrition Core Hosts APHA Annual Meeting Panel

The MSM Clinical Research Center-Bionutrition Core hosted the [American Public Health Association \(APHA\) Annual Meeting Tour Panel](#) last Saturday, November 4, in the MRC G-14 Conference Room. Panelists included, Jada-Bussey-Jones, chief of General Medicine and Geriatrics, Grady Memorial Hospital; Dr. Stacie Schmidt, director of Healthy Living Classes, Grady Memorial Hospital; Hadassah Israel, Grady FVRx peer champion; Evelyn Zellars, Morehouse FVRx program participant; J. Olu Baiyeu, director, Organix Matters and Fresh MARTA Markets; Sara Berney, executive director, Wholesome Wave Georgia; and [Kayellen Umeakunne, MS](#), registered licensed dietitian nutritionist and Morehouse FVRx Program co-manager. Fifty public health professionals from across the U.S. interested in healthy food access and sustainable agriculture attended the Food Systems Tour, which took place later that day from 1:30 - 3:00 pm.
