

# **MOREHOUSE**

## **SCHOOL OF MEDICINE**

**Department of Surgery**

### **Improving Health Care Delivery – In Real Time**

**W. Roy Smythe, MD**

*Chief Executive Officer – HX 360  
Chief Medical Officer – AVIA, LLC  
Avia Health Innovation  
Chicago, IL*

By the end of the lecture, the participants should be able to:

1. Discuss the role that non-platform (non-EHR), next generation technologies will have in making health care more efficient and more effective in the future.
2. Distinguish and enumerate the processes and structures that health systems must improve upon to appropriately leverage next generation technologies.
3. Define and outline a new philosophy of human health and individual responsibility for health maintenance.

**WEDNESDAY, October 8, 2014**

**8:00AM – 9:00AM**

Trauma Auditorium, Ground Floor, RM GD017  
80 Jesse Hill Jr. Dr. SW, Atlanta, Georgia 30303

Morehouse School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to sponsor continuing medical education for physicians.

The Morehouse School of Medicine designates this live activity for a maximum of 1.0 hours in AMA PRA Category 1 credit(s)™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

Morehouse School of Medicine (MSM) requires instructors, planners, managers and other individuals who are in a position to control the content of this activity to disclose any real or apparent conflict of interest they may have as related to the content of this activity. All identified conflicts of interest are thoroughly vetted by MSM for fair balance, scientific objectivity of studies mentioned in the materials or used as the basis for content, and appropriateness of patient care recommendations.
