Pediatric palliative care: a collaborative approach

October 16, 2014
7:30AM – 8:30AM
Emory FOB, Room 123

Learning Objectives

At the end of this presentation participants will be able to:

- 1) Define pediatric palliative care and the population it serves
- 2) Identify strategies for applying pediatric palliative care principles
- 3) Outline approaches to collaborating with local pediatric palliative care resources
