

2016-2017 Grand Rounds Series
Presented by

Department of Surgery

Barry McKernan, MD

*Founding Member, United States Laparoscopic Founder's Society
Retired Clinical Professor of Surgery, Medical College of Georgia
Augusta, GA*

**“The History of Laparoscopic Surgery”
Overcoming Obstacles, Pushing the Envelope of Change**

**Wednesday, October 12, 2016
8 AM – 9 AM**

Marcus Trauma Auditorium, Ground Floor, RM GD017

Learning Objectives

At the end of this presentation participants will be able to:

- 1) Explain the early challenges associated with presenting new techniques to surgical patients.
- 2) Describe how advances in the minimally invasive treatment of gallbladder disease promulgated the laparoscopic surgery revolution.
- 3) Discuss the role of innovation and courage in introducing new technologies into clinical practice.
