

**National Institute on Aging
Regional Meeting on Aging Research
at Morehouse School of Medicine**

SAVE THE DATE

Thursday, October 20, 2016

The National Institute on Aging (NIA) at the National Institutes of Health is partnering with the Morehouse School of Medicine to convene a regional workshop. This will be an opportunity to discuss NIA's strategic directions for research on aging, learn more about research and training opportunities, and forge collaborations with investigators in the region who are conducting research on aging.
