

Important Early Voting Information

Early voting began in Georgia on Monday, October 17th! Early voting times and locations vary by county. Please see below for more information.

Before you go to vote, please do your research! We aren't just voting for President and VP. We are also voting for state and local officials, as well as 4 proposed amendments to the Georgia Constitution, and some local stuff in Atlanta for MARTA expansion, etc.

See this link for an NPR article about the state amendments: [Proposed Georgia Constitutional Amendments](#)

Use your [MyVoterPage](#) to see who currently represents you and a **Sample Ballot** for the county you're registered in.

Many of you are registered in Fulton County, so the next couple links will be for you. If you are registered in Fulton County, you can vote at ANY of these locations before election day (so pick which is best for you)! The second link is a map that lets you plot out your closest one! Early voting hours are from 7am-7pm Mon-Fri for the next couple weeks until Friday, November 4th. There are also early voting hours on the weekends also listed at these links.

Early Voting – FREE Transportation for Students

John Eaves, Chair of Fulton County Commissioners and Atlanta City Council President Ceasar Mitchell is sponsoring **free bus rides for citizens** to get to the poll and vote early on **Saturday, October 22, 2016 between 10:00am and 1:00pm**.

President Mitchell and Chairman Eaves will be riding the buses with the citizens to the polls. We are hopeful that the AUC can share the word heavily with students. We will pick up at a designated time and location on campus and they will return immediately after the students have cast their votes. We will need your support to advertise this heavily in order for the students to be aware. We are also creating a flyer which will be sent on tomorrow.

The **voting location** is: **Adamsville Recreation Center, 3201 M.L. King, Jr. Drive, Atlanta.**

Radio personalities will join our leaders and the students on the MARTA bus. This will be direct rides pickup/drop off only.
