Author, Wall of Silence

**Kelvin Holloway, M.D.,  
M.B.A., F.A.A.P.**  
Senior Vice President, Chief Quality  
Officer, Grady Health System

## Emerging Expectations for Patient Safety and Quality Improvement Training for Graduate Medical Education Stakeholders

**Wednesday, September 24, 2014 - 12:00–1:00 PM**  
**Grady Auditorium - Open to All**

### Goals & Objectives

At the end of this presentation participants will be able to:

- Learn about Grady's Incident reporting system and the importance and value of reporting patient events
- Participate in an interactive video/discussion of "real" patient safety cases – best practices and outcomes
