

2015-2016 Grand Rounds Series
Presented by

Department of Surgery

Veena Rao, PhD

*GCC Distinguished Cancer Scholar
Professor and Co-Director,
Cancer Biology Program
Georgia Cancer Center for Excellence
Department of Obstetrics and Gynecology
Morehouse School of Medicine
Atlanta, GA*

**BRCA1: The 20 year Journey from Discovery to Precision Medicine
“A Scientist’s Vision”**

WEDNESDAY, October 14, 2015

8:00AM – 9:00AM

Emory Steiner Auditorium, Ground Floor

Learning Objectives

At the end of this presentation participants will be able to:

1. Identify the relationship between BRCA1-linked Cancers and Cancer Health Disparities.
2. Review the molecular mechanisms of BRCA1 Dysfunction in TNBC and HGSC.
3. Evaluate Biomarkers for Early Detection, Chemo-resistance, and Targeted therapies: Bridging the Gap.
4. Recognize the future landscape: From DNA testing to Precision Medicine and Clinical implications.

Speaker Disclosure(s): None

Morehouse School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to sponsor continuing medical education for physicians.

The Morehouse School of Medicine designates this live activity for a maximum of 1 *AMA PRA Category 1 credit(s)*™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Morehouse School of Medicine (MSM) requires instructors, planners, managers and other individuals who are in a position to control the content of this activity to disclose any real or apparent conflict of interest they may have as related to the content of this activity. All identified conflicts of interest are thoroughly vetted by MSM for fair balance, scientific objectivity of studies mentioned in the materials or used as the basis for content, and appropriateness of patient care recommendations.
